

Lee Bradley.

Presenter/British Voice Over/Commercials/Lifestyle and Beauty Expert

For the last five years Lee Bradley has built a loyal and lucrative following appearing bi-weekly on live Television in both the U.S. and U.K. His relationship with philosophy, one of the globes most successful lifestyle brands, has shown how the rewards can be enjoyed when you show a true commitment and understanding for working closely with clients in order to build their brands internationally.

He has appeared on national radio, Conducted speaking tours of America and loves gaining knowledge through direct interaction with consumers.

Lee has empathy with people from all walks of life. It is an integral skill to truly know how the consumer wants to see and understand a company's product.

His insistence on being fully prepared at all times stems from running his successful property development business in London.

Lee represented global brands Wella and Sebastian as an international spokesperson, delivering company developmental and product news to the international press in addition to appearing regularly on BBC T.V.'s Clothes show, Good morning and clothes show live.

His voice has been used in Commercials on both Television and Radio and his public speaking skills are second to none.

Lee's early years were spent treading the boards in the U.K. taking many lead roles in John Godber productions for the Hull Truck theatre company. He appeared on BBC radio 4 as a main role in Charles Dickens 'A Christmas Carol' and won several major drama awards including a BBC poetry competition whilst gaining certificates in speech and drama.

A role with Shaun Pertwee in a season of Channel 4 plays exposed Lee to the wider British audience. Working alongside some of the biggest names in high end beauty Lee has worked with screen and theatre A listers including; Emma Thompson, Geraldine Mc Kewan, Jon Bon Jovi, Geri Haliwell and Victoria Beckham.

Lee also studied skin anatomy and physiology under Patrick Ales. French entrepreneur and business guru, allowing him to offer an in depth expert opinion and fully integrate with his clients needs. This unique skill drew attention from national magazines and newspapers where Lee became house counsel for their reader's lifestyle issues. No problem too daunting when you have the right knowledge.

Lee Bradley was then approached by one of America's leading personal care brands to be their brand guardian for the U.K and R.O.I. His ability to integrate fully

with the vision of brands has led to financially successful partnerships and collaborations which have transformed the fortunes of brands and spread the awareness of their product into previously uncharted territory.

He has since moved to Sydney Australia, hand picked to consult for one of Australia's leading retailers. Regular appearances on TVSN are sure to increase the success of the brands that he promotes.

Lee is terrific at thinking on his feet having the knowledge and experience in Live Television and pre-recorded scripted pieces. His warmth and charm appeals to such a wide audience that he's a highly sought after presenter already.
